Mrs. Julie Wentz (Grades 1, 3, and 5)

It is my 11th year as a school counselor at VES. Prior to becoming a school counselor, I was a First Grade teacher for 6 years. All of my former students are now young adults! I also have a background in visual arts and love having opportunities to be creative at school with the students. .

One of the things I have always enjoyed about working with kids is getting to know who they really are and watching them grow as people. I also love kids' sense of humor and having fun times!

Outside of school, my passions include traveling, hiking, camping, and exploring!

Mrs. Jessica Wilson-Carr (Grades K, 2, 4)

It's my 16th year at VES. Before becoming a counselor, I taught grades 2,3, and 4 at VES! I enjoy working with students everyday and helping them build their social and emotional skills. I love building relationships with the VES staff, students, and community!

Outside of school I enjoy going to the beach, reading, doing yoga and spending time with my family!
